WEBINAR DESCRIPTION

Get updates on pending tax legislation affecting contractors around the nation. You will hear about current action on the Hill, as well as pending IRS changes that will significantly impact the way the IRS reviews your tax returns and allows or disallows certain deductions on which you rely. Learn tips, strategies and tax-saving ideas to implement immediately in your company.

WHAT YOU WILL LEARN

This timely webinar is designed to help you:

- understand current Congressional and IRS issues
- identify the implications of these issues for contractors
- discover new ways to save on taxes
- learn how to more fully utilize ABC and the ABC Tax Advisory Group to stay ahead of the changing tax landscape

WHO SHOULD PARTICIPATE

This webinar is **open to ABC members only**.

- Presidents/CEOs
- CFOs
- Project Managers
- Accountants
- Construction CPAs and Business Advisors
- Surety Underwriters and Bond Producers
