

The Tools of ABC

Help ABC pour a concrete foundation. Gear up for 2009 by joining a committee! Be electrified

by new ideas. Help us measure up the competition and nail down the future of Merit Construction.

Paint a new outlook for Merit Contractors in the Delaware Valley. All the tools you need are waiting for you at ABC.

Tools of the Trade

Committees at ABC

Benefits of joining a Committee at ABC

Let your voice be heard! Sit among likeminded decision makers when you join a committee at ABC. As a committee member, you will have an insider perspective of the many different initiatives within the New Jersey Chapter.

Most committees meet at the Chapter Office on a monthly basis for 1-2 hours and consist of any where from 5-10 members. Getting involved in a committee is a great way to make the most of your membership with ABC. Contact Patrick Stewart at the ABCNJ chapter office to find out more about these committees and when the next committee will meet!
