

New Jersey Chapter

Understanding Generic and AIA Contract Documents

Come to an ABC Seminar on March 26, 2010!

Course Outline

This program will provide an in-depth look at common contract provisions. It will include review and comparison of standard forms, including the 2007 Version of AIA Contract Documents, as well as other selected forms in use by anonymous owners and contractors. Emphasis will be placed on practical applications. Provisions to be considered include payment, indemnification, scope clauses, flow through clauses, time, delay and extension provisions, releases and dispute resolution. In addition to understanding contract document provisions, strategies will be discussed on how to effectively use and amend the various provisions.
