ABC-NJ C.O.R.E. PROGRAM

CONSTRUCTION ORIENTATION READINESS EDUCATION

Classes start Tuesday, March 19th at 6:00 pm

Tuesdays and Thursdays | 6:00 to 9:00 pm (12 weeks/24 classes)

Location: 351 Harding Highway, Elmer, NJ 08318 (Krise Electric)

CORE is the prerequisite for all trade and APPRENTICESHIP classes and is designed to provide students with basic knowledge and skills required in the construction trades.

CORE is also suitable for assistant project managers, office personnel, warehouse and yard workers who can benefit from understanding the trades and what is expected of the workforce in the field.

What's Included and Covered?

Enhanced Safety: including fall protection, construction safety, construction site job hazards, dealing with job hazards, aerial work, electrical safety, hazard communication and fire safety

Construction Math: including reading a tape measure, addition, subtraction, multiplication and division of: whole numbers, fractions and measurements, decimals and percentages

Hand/Power Tools: most commonly found in the construction industry, including drills, saws and other miscellaneous tools, all of which will be used in three hands-on projects
