ABC-NJ Endorses Claire Gustafson for New Jersey U.S. House of Representatives 1st Congressional District

Mount Laurel, NJ—Associated Builders and Contractors New Jersey today announced the endorsement of Claire Gustafson (R-Collingswood) to represent the 1st Congressional District of New Jersey in the U.S. House of Representatives.

“Based on Ms. Gustafson’s extensive business background and her pro-growth philosophy, we feel she will be a strong advocate for open competition in the state’s construction industry,” said Sam Fiocchi, President, ABC-NJ. “Her experience in the business sector will also allow her to develop policies which help businesses of all size succeed, by promoting job-creation while reducing the burden on taxpayers.”

“We believe Ms. Gustafson will work to continue the growth of the construction industry in New Jersey, and uphold our values of free enterprise and fair competition for the opportunity to be awarded contracts regardless of labor affiliation,” continued Fiocchi.

ABC’s New Jersey Chapter is the leading voice promoting free enterprise within the state’s construction industry. It is founded on the merit shop philosophy that encourages open competition and a free-enterprise approach that awards contracts based solely on merit, regardless of labor affiliation. ABC exists to help members develop people, win work, and deliver that work safely, ethically, and profitably for the betterment of the communities in which ABC and its members work.

About Associated Builders and Contractors

ABC is a national association representing 21,000 merit shop construction and construction-related firms in 69 Chapters across the United States. Our membership represents all specialties within the U.S. construction industry and is comprised primarily of firms that perform work in the industrial and commercial sectors of the industry. ABC-NJ is the industry’s liaison to federal, state, and local governments and the public at large. For more information, please visit our website at www.abcnjc.org.
